

HOME

WE WILL PUT AN END TO YOUR SPREADSHEET NIGHTMARES.

Advanced Excel Training

Book to attend our next workshop or call us for an in-house training workshop.

Train with the best

We are the leading financial modelers in Africa. Don't be betrayed by lower fees that may be offered to you by some opportunistic trainers, get expert coaching from industry leaders!

Financial Modelling Solutions

We can build models for you using Quantrix Modeler - World's leading modelling software.

Financial Planning & Reporting Models

Data Analysis, Budgeting and forecasting and Management Accounts are our areas of specialty. Contact us today for a free needs analysis.

Online Marketing Solutions

We develop web-based solutions to the problems of modern-day societies.

Making things simple for you

We have so far developed CvMaids.com, Contacts Zimbabwe, Contacts Zambia, InfoZimbabwe and Know Your Car
